**Choose baby-friendly books.**

Books with bright and bold or high-contrast illustrations are easier for young babies to see, and will grab their attention. Books made of cloth or soft plastic (for the bathtub) or "board books" with sturdy cardboard pages are easier for a baby to handle.

**Give everything a name.**

Build your child's vocabulary by talking about interesting words and objects. For example, "Look at that airplane! Those are the wings of the plane. Why do you think they are called wings?"

**Recite rhymes, sing songs, and make mistakes!**

Pause to let your toddler finish a phrase or chant a refrain. Once your toddler is familiar with the rhyme or pattern, make mistakes on purpose and get caught.
