

## Cell Phone Use Policy

Many people come to the library expecting to find a quiet place to read. Therefore, we ask cell phone users to respect others by observing the following guidelines for cell phone usage in the library:

- Cell phone ringers must be turned off when entering the library.
- Cell phone conversations are acceptable only in the foyer. Cell phone use is prohibited in all other public areas.
- The Library reserves the right to ask anyone to leave the building if using a cell phone in a prohibited area.
