Unscheduled Closings

Weather Related Closings:

The Library may close due to inclement weather at the discretion of the Library Director and Branch Manager. The Librarian will use the Sheriff's Department weather code as one factor in the decision to close. The Library will be closed during Code Black conditions and may be closed during Code Red conditions or under Town-declared emergencies. Closings will be announced on WZBD and will be posted on the front door if possible.

Emergency Closings:

The Library will close due to other emergency conditions such as loss of power [after one half hour without power], problems with heating and/or air-conditioning unit(s) [if temperatures reach 82 or drop below 60], bomb threat, loss of water, or catastrophic emergencies. In addition, if the safety of library patrons is jeopardized as a result of any situation heretofore unmentioned, the Library shall close. All emergency closings will be announced on WZBD and posted on the building's front door.
